\*\*Offer ends 30/09/2012. Subject to terms and conditions, including survey and existing levels of insulation.

# **Your Council is working with trusted local companies to provide free insulation to you.**

Many homes in Suffolk do not have adequate loft and cavity wall insulation.

If you would like to have a warmer home this winter and lower your fuel bill, contact us today to **get your home insulated for FREE.**

**Act now** while this funding is still available.

Where more than 60mm of loft insulation is existing or the loft is large, you will be quoted a customer contribution towards the cost. Prices subject to survey.
