Words of Bear Grylls

“Don’t Count the days. Make the days count.”

Youth Shaped Challenge – Is your chance to take part in a Scout Forum. It will be in two parts.

Part 1:

Suffolk International MOOT 2021.

SIM21 is an international camp open to Scouts and Guides from across the UK and Internationally for the first time. SIM 2021 camp is six days of fun, adventure and excitement. It is all about pushing yourself to go a lot (or a little) higher, faster and further than you have before.

“Go Higher, Faster, Further” captures the essence of the event which is to create opportunities for adventure, learning and gaining skills for life.

Have your say

1. We would like you to come up with a theme for the camp.

Think “Go Higher, Faster, Further.” The theme should capture the feeling or essence of the camp for example the camp could have a pirate theme, could be endangered animals, it could be countries round the world, the opportunities are endless?!

2. From your theme we would like you design a camp badge.
3. How would you like to be involved in SIM ?
4. What would you like to see there?

Consider aspects of the camp; Advertising - would you like to design a poster? Food – would you like an international inspired menu for a day? Self-awareness and being a part of a large community, how do we fit into the big picture of the camp?

Part 2:

If Scouting from home is to continue, what would you choose as the next challenge and why?

Please email your ideas to AdventureContinues@SuffolkScouts.org.uk
