Challenge Four – Take a lead in Suffolk Scouts

Words of Bear Grylls

“Don’t Count the days. Make the days count.”

These challenges don’t have to be completed all at once, it’s simply a way our young people can access Scouting at home.

Please post on social medias using the #AdventureContinues or email us about your adventure to AdventureContinues@SuffolkScouts.org.uk

Plan your perfect summer adventure camp

Planning for the Suffolk International Moot 2021 (SIM21) next August is well under way and we want to get as many of you involved in helping to shape that experience for all Explorer Scouts taking part in the event.

Come and take part in our biggest Explorer Scout Forum meeting online on **Thursday 28th May** and help contribute to SIM21 and the future of Explorer Scouts in Suffolk. Please email jamie.mortimer@suffolkscouts.org.uk to register and receive the joining instructions for the meeting. If you would rather just let us know your ideas on socials using #AdventureContinues and/or email us with a link or send it directly to AdventureContinues@SuffolkScouts.org.uk. Remember, the more unusual and the more exciting the better and who knows, you may even see some of your ideas get added to the programme at SIM21.

Explorers lead an online meeting

We thought it would be an excellent opportunity to help your adult volunteers out by putting your awesome digital skills to good use. As part of your Chief Scout Queen Scout Award or young leader scheme you could help a younger section to earn a badge.

Liaise with your local Group; schedule an online session, plan a few activities to meet the criteria of a badge and go for it. Would love to hear some Beavers taking part in online paper aeroplane competition for their Air Activities badge, Cubs taking part in a virtual book club meeting and getting their Book Reader badge or Scouts having an online Bake Off and achieving their Chef badge.

NOTE TO EXPLORER SCOUT LEADERS:

If an Explorer Scout completes this challenge, you/they should make some brief notes on which badge they delivered, with which section, how they did it and which Chief Scout/Queen Scout Award this task will count towards. Feel free to award the other section badge to the Explorer Scout to wear on their uniform just for fun!

Lots to get stuck into and keep Scouting so please do get involved and we look forward to seeing (and hearing) about all your efforts in the coming weeks.

Yours in Scouting
